

Kyle Hawk

ABOUT

I am an individual who thoroughly enjoys learning. From learning new web technologies, to learning a new language, I pride myself on working hard to form a deep understanding of what I'm studying. My work as a front-end developer has taught me to be flexible and to roll with the ever-changing landscape of the web.

Proficient technologies:

- HTML5, CSS3, SASS, XML, Git
- JavaScript, jQuery, AngularJS, Angular 12, VueJS, Unit Testing
- PHP, MySQLi

Actively Learning: German (A2), Java (Spring Boot), Vue 3 (Nuxt), React

EXPERIENCE

AT&T, St. Louis, MO — *Senior Software Engineer*
